The following amendment is responsive to Examiner's Notice of Non-Compliant

Amendment of April 10, 2007 in which Examiner asserts that claims 21 and 22 are objected to because the lines are crowded too closely together, making reading difficult. Please substitute this amended reply, in which applicant has changed line spacing from 1 1/2 to 2, for Applicant's Reply B that was filed December 28, 2006.
